Yes, I can be there. What about the CRHO meeting – I am supposed to be at WMH on Thursdays (CRHO meeting is tomorrow).

Hello,

Please keep in mind that the address has now changed at this location. It's the same site, just an address change.

Amherst Drug Lab
637 N. Pleasant St.
Amherst, MA 01003

The Local contact for the phones is James Hanchett. I believe he should be included in this meeting and all future VOIP meetings regarding this site. The IT Contact is Eric Byrne. He should also participate.

I will be facilitating all interactions and should be included in all communications and meetings invites including Mark Thibault.

James, Eric,

Are you available to meet for about an hour at the site on Tuesday 1-26-10 at 1pm?

Please let me know.

Thank you,

Erti Bimbashi
